Homecoming Queen: Rose Mangiaracina

Queen Rose.

The 1966 Homecoming, "Autumn Pow-Wow", was considered to be one of the most highly successful and well organized homecoming celebrations of recent years.

The lighting of the "L" on Grandad's Bluff, and the introductions of the queen candidates at the Pep Rally, was the initial kickoff of the homecoming weekend. Amidst screams and excitement, the students then made their way from Memorial Field to Main Hall, where the traditional hanging of the lantern took place.

Friday evening, the "Young Americans" captivated the Royal Court and LSU students in an evening of hilarity and musical entertainment.

The major event of Homecoming, the game versus Stout took place on a cold, blustery Saturday and was fought to the end with a victory for LSU, much to the delight of both alumnae and current LSU members.

The weekend culminated with the semi-formal Homecoming Dance held in the beautifully decorated Valhalla Room.

A Man For All Seasons

A Man For All Seasons by Robert Bolt, showed how Thomas More, England's Chancellor in 1529, disagreed with Henry VIII's remarriage.

A man of great conscience, Sir Thomas More's unshakable belief in the Catholic Church was violently oppossed to the actions of Henry VIII and Reformation policies; he is imprisoned for this, and is finally beheaded.

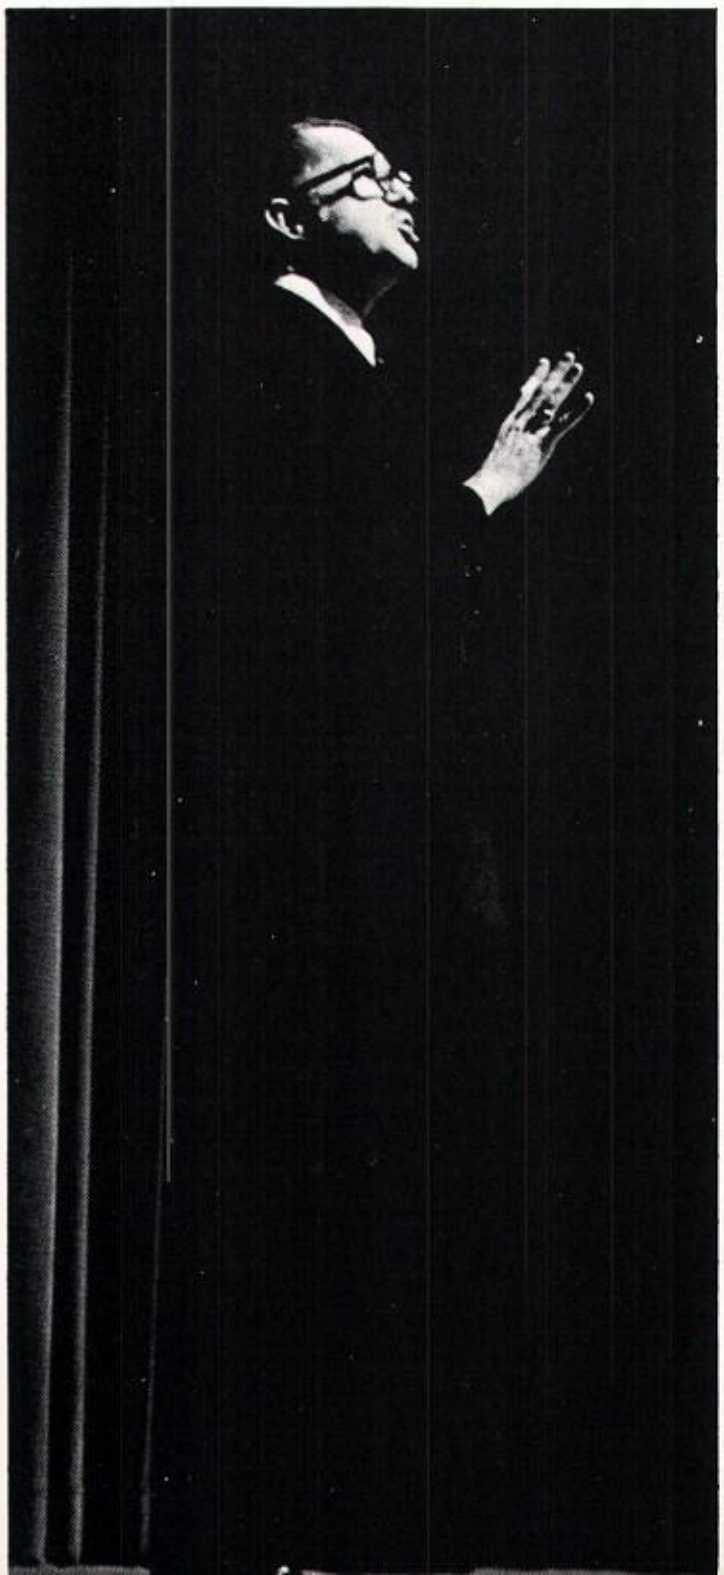
Odetta



Odetta highlighted the early part of December by presenting a most enjoyable and moving concert. The dynamic folk artist performed a concert which varied from a light poem by A. A. Milne to sorrow-laden Negro spirituals. Her performance was climaxed by a standing ovation.

Vincent Price

Vincent Price appeared on campus with the sole purpose of stimulating, in Americans, an awareness of their own literary history. Walt Whitman, James M. Whistler, and Tennessee Williams provided source material for this most impressive dramatic presentation which will be long remembered by all who attended.

The Adding Machine

The Adding Machine was first produced by the Theatre Guild in 1923. The play inherently reflects this period in dialogue and in other aspects of its scenes. In order to be true to the playwright's original tone, the University Theatre has chosen to reflect the period of the twenties in costuming and makeup. Mr. Rice (the author) has stated that the locale of the play is "anywhere" — the time "anytime." The adding machine of 1967 may be more "super" than the 1923 model, but the man who stands before it is essentially the same.

The La Crosse State Indians rolled to a 6-3 won and loss record this year and placed fourth in the Wisconsin State University Conference. The Indians romped past Platteville, UWM, Stout, Superior, and Eau Claire. The three defeats suffered by the Indians were at the hands of Stevens Point, River Falls, and Whitewater.

In the exciting Homecoming game against Stout, the Indians had to overcome a 7-3 half time deficit and did so with a Turnquist to Steensrud touchdown pass in the fourth quarter. The team managed to score another TD in the last second of the game to earn the final 16-7 win over the Stout Bluedevils.

Harriers-3rd In WSUC

Paul Dale, record-breaking harrier.

The La Crosse harriers finished third in the Wisconsin State University Conference. The conference was unusually tough and the Indians faired very well against some stiff WSUC competition.

The Indians won 3 of 8 meets and placed third in the conference meet (at Whitewater) behind Oshkosh and Whitewater. La Crosse downed Platteville, Bethel, River Falls and Augsburg (a quadrangular meet). The harriers lost a close match to UWM by two points.

Paul Dale established a school record with a time of 16:38 against Luther. The old record of 16:43 was held by Larry Drew and was set in 1963. Other consistant performers for Coach Gautsch were Pete Van Handel, Scott Lindgren, Jack Curtis, Rod Leadley and Pete Smith.

Indians In 3-way Tie For 2nd

Oshkosh won the Wisconsin State University Conference basketball championship, but the WSU-La Crosse Indians surprised the conference by tying for second place with Stout and Eau Claire when they weren't expected to place in the first division according to preseason predictions. The Indians romped to a 13-8 overall record and an 11-5 conference mark.

After losing their first three games to Winona (88-82), Stout (87-67), and Gustavus Adolphus (78-63), La Crosse caught fire and blazed to 13 victories out of their last 18 games. Six of the Indians' eight defeats were between one and ten points. La Crosse downed Eau Claire twice 80-74 and 99-72. La Crosse lost to Stout in their second encounter by only two points, 71-69. The Indians lost both of their games with Oshkosh, but one of these was by the close score of 84-80 which was indicative of the Indians determination and aggressiveness on the basketball court.

The Indians showed a balanced attack both on defense and offense with each player netting his share of points in a game. The Indians' success was dependent upon teamwork because of the lack of height on the team and after the third game of the season they developed into a winning unit.

John Johnson was lauded for being the teams top scorer while Dave Neuberger was named the most valuable player. Gene Loughrin won the John Stearns award which is a laurel for the most improved player on the team during the season, and for sportsman-like conduct on and off the court.

Coach DeVoll Resigns---

Head basketball coach Cliff DeVoll resigned after the 1966-67 season to become the Associate Dean of the college of Health, Recreation, and Physical Education at WSU-La Crosse. This ended a 15 year coaching career for DeVoll in which he led Indian teams to a 185-124 compiled won-loss record. In the past 7 years, DeVoll led his teams to a 70-26 Wisconsin State University Conference (WSUC) record and two conference championships in 1963-64 and 1964-65. These two teams tallied 20-2 (conference: 11-1) and 19-4 (conference: 15-1) records respectively. Both of these teams had high-geared offenses coupled with strong defenses and the 1964-65 team represented the District 14 (Wisconsin) in the NAIA Tournament at Kansas City. In many games these two teams played, they hit 100 or more points.

However, these weren't the only standout teams that DeVoll coached. This years team was also an excellent example of a DeVoll coached team. The Indians won 13 of 21 games. They posted an 11-5 conference mark which was good for a second place tie with Eau Claire and Stout. What is different about this years team is the fact that few persons: sportswriters, students, conference opponents, or townspeople, expected the Indians to place in the upper division of the conference.

La Crosse Tribune photo

---Posts Victorious Finale

For a while, the team followed preseason predictions by losing their first three games, but under DeVoll's talented guidance combined with the team's aggressive desire and latent talent, the Indians jelled into a winning quint, winning 13 of their last 18 encounters. DeVoll called this team the "most pleasing" he had ever coached and the "character" evident in this team was an important factor in its success.

On the basketball court, DeVoll emphasized defense which usually produced the offense and aggressiveness of his teams. Most of the coaches in the WSUC recognize that DeVoll was probably the best defensive coach in the conference. Cliff DeVoll will be missed as a coach here at La Crosse because everyone is aware of his exceptional talent in molding winning teams and good sportsmen. If his coaching career is any indication of the future, La Crosse State will have an outstanding Associate Dean of Physical Education.

This year's team exemplified the spirit of Cliff DeVoll himself. He was the type of man who instilled energy, aggressiveness and vitality in anything he undertook, whether coaching or teaching. This was transmitted to his students, his associates and his basketball players. DeVoll was a graduate of La Crosse State, and earned his master and doctorate at Indiana University.

Indians Consolation Champs

Coach DeVoll-Tournament host.

The La Crosse State Holiday Tournament was loaded with action and suspense. Tournament teams were: defending champ Lincoln (Tigers), Loras (Du Hawks), Hamline (Pipers), and La Crosse. Lincoln won the championship and the Indians took consolation honors.

The most exciting game was the 98-88 Loras over La Crosse win. The Du Hawks led La Crosse 80-76 with 19 seconds left in the game when Neuberger's layup cut the lead to 80-78. With 6 seconds left, Loras' Joe Hester missed a free throw, Neuberger got the rebound and passed to fast-breaking Loughrin whose bucket at the horn tied the game at 80-80. Indian fans went berserk and Loras fans sat in stunned disbelief. However, in the 5 minute overtime, Loras outscored La Crosse 18-8. Earlier Lincoln beat Hamline 94-69.

In the championship battle, Lincoln defeated Loras 112-95. Loras got an early lead, but the Tigers fought back to gain a 54-45 half time margin. Lincoln outpaced the Du Hawks 58-50 in the last half and won their second straight Tournament championship. Lincoln's Arvesta Kelly, for the second straight year, was named the Tournament's most valuable player.

In the consolation game, last second Indian heroics earned a 75-74 victory over Hamline. The Pipers led 72-71 with 23 seconds left, Grainger blocked Al Frost's layup and Mitich then scored two to put the Indians ahead 73-72. Seconds later Johnson was fouled and he sank two free throws to push La Crosse's lead to 75-74. Frost scored a basket at the buzzer.

Top Indian scorers in the tournament were: Mitich 29, Johnson 27, Grainger and Neuberger 26, and Bruett 24. This showed well balanced scoring for La Crosse.

The La Crosse State trackmen finished the season by placing fifth in the WSU-Conference Meet at Madison. Besides this accomplishment, the cindermen compiled a 4-2 record in individual dual meets.

The track team also placed first in a quadrangular meet here, the first of its type, against Stout, Stevens Point, and Oshkosh. In addition to this, the Indians placed fourth in the UW-M Relays at Milwaukee.

An interesting aspect of the past track season was the addition of two new events which were the triple jump and the 440 yard relay. At the conference meet the 440 yard relay team established a new school record of 43 7/10 seconds.

Campus Controls Council

C.C.C. members enjoy a spaghetti dinner at President Gates' home.

Campus Controls Council, the representative body of our university, has devoted much of its time in promoting special projects for the benifit of the student body. These projects included changing the library hours, teacher-course evaluation, coinciding Spring Break with Easter, and attempting to incorporate student discounts at the various stores in La Crosse.

The activities which the Campus Controls Council has backed this year are the campus-wide elections, poster regulations, and student-faculty committees.

These are just a few of the many ways in which our Campus Controls Council has served the students of WSU-La Crosse.

Big and little sisters get to know each other at the AWS Big-Little Sister picnic held in Myrick Park.

Associated Women Students

The AWS State Convention, "We like It Here," was held successfully on the La Crosse Campus. The theme represented the importance of the women's role on campus. Nine colleges from the state of Wisconsin, and one from Minnesota attended the meeting, bringing and exchanging ideas, methods, and systems of utilizing AWS on the college campus.

Lynn Zimmerman, Region II Coordinator of IAWS was the capsule keynote speaker and guest of the day, while Dr. and Mrs. K. Fisher of La Crosse presented an after luncheon program on their 20 month stay in Nigeria.

Always important is the Big-Little Sister picnic which enables new women on campus to familiarize themselves with other women students and AWS, the governing body. Other social events sponsored by AWS were the two church breakfasts, Pow Wow Princess's Meeting during Homecoming Week, the Inaugural Reception for President Gates, the Computer Dance held in February, and the annual Mother's Day Week-end.

Racquet

The Racquet, celebrating its 57th year of publication, was published by the largest staff in the history of the campus newspaper.

Other firsts this year were the enlargement in the size of the paper and the frequency it was published. Eight page papers became the basic size while the paper was published bi-weekly and in many instances weekly.

The Racquet provided many new features that had never appeared in the paper before. A forum for public opinion, called "The Open Forum," appeared for the first time. Many provocative views and opinions appeared in the column, open to all members of the academic community. Irving also made his satirical appearance, giving insight into instances and problems that concerned WSU-L students. Other features included a look at "UFO's —Real or Fantasy?" The Greek community was featured during Greek Week with a report on the background of fraternity and sorority groups on campus.

In late October, Editor, Nicholas Moran attended the national convention of the Associated Collegiate Press in Philedelphia. There, the editor exchanged ideas with other journalists from the nation's college campuses.

A new advisor, Joseph Zobin, brought fresh ideas to the staff of the paper. Zobin came to the university position from a job as a newspaperman on the Des Moines Register.

Fledgling

The *Fledgling* provides an opportunity for student writers to see their works printed and a chance for students to try their hand at being editors. The purpose of the *Fledgling* is to encourage creative writing.

This magazine is a student operated enterprise. From student writings submitted, student staff members select what material is best and make the necessary arrangements to get the material printed and distributed to the student body. Once printed, the *Fledgling* is put on sale in the Student Union Book Store and in the library, on a self-service basis.

Two issues of the *Fledgling* are intended to be printed this year, one issue devoted to student art and student writings.

Organizations Committee

This committee is made up of five students selected by the Campus Controls Council, the dean of student affairs and four faculty members appointed by the Faculty Steering Committee. Its functions are: to determine the basis on which student groups are recognized as university organizations and to recognize petitioning groups as university organizations on the basis of these regulations; to administer and coordinate the activities of all university organizations except sororities and fraternities within the framework of the policies determined by the Student Activities Council. Sorority and fraternity activity shall be regulated by the Panhellenic and Interfraternity councils respectively, also within the framework of the policies established by the Student Activities Council; to sponsor activities of an all-university character or authorize organizations to sponsor those activities and to allocate funds to such sponsors from the student activity fees assigned to the committee for its purpose; to prepare the college activities calendar; to maintain a record of all campus organizations including their constitutions, meeting time and place, officers and advisors.

Women's Service Organization

The Women's Service Organization is now a probationary colony of Gamma Sigma Sigma, the National Women's Service Sorority. The motto of the sorority is "Unity in Service" and its colors are maroon and white which symbolizes friendship and equality. The purpose of the sorority is to assemble college and university women in a spirit of service to humanity. It is based on the high ideals of service, not only on campus but in the community and national affairs as well.

On campus Gamma Sigma Sigma assists with ushering, campus tours, the bloodmobile, proctoring for exams, assembling the activity calendar, and other respective services.

Alpha Phi Omega

Alpha Phi Omega, National Service Fraternity, carried out a varied program of service and social activities throughout the year. The fraternity proctered for ACT and Selective Service exams, provided campus tours for visitors to the university, supplied deskblotters for dorm students, promoted the Peace Corps on campus, sponsored the Badger Bloodmobile's visit to La Crosse State, and cooperated with the Alpha Xi Delta sorority in sponsoring a Thanksgiving party for the La Crosse Boys' Club.

The fraternity also attended the Alpha Phi Omega national convention in Minneapolis during December and the annual sectional convention at Eau Claire. The members also participated in the Homecoming and Winter Carnival activities. In addition to these and other activities APO adopted a poverty-strickened Vietnamese child through the Save the Children Federation.

Eta Phi Alpha

Eta Phi Alpha, honorary Letters and Science Fraternity, was able to award another scholarship this year to the Letters and Science student with the highest academic standing. The group's first scholarship was given out last year and this practice will continue yearly.

Other activities included two book sales, and a series of fascinating lectures on topics of current interest in both world affairs and academic circles.

The aim of this honorary fraternity is to establish a chapter of Phi Beta Kappa on the La Crosse State Campus.

Phi Epsilon Kappa

As a national honorary Physical Education Fraternity, Phi Epsilon Kappa involved itself in several activities concerning the profession of Physical Education.

The fraternity provided their services as ushers at the dedication of the New Physical Education Building and presented an inscribed plaque for the building. During Inauguration week for President Gates, the fraternity served as guides for visitors on campus. Panel discussions and a clinic in Physical Education were held by the group for those interested in physical activities.

Sponsored by Associated Women Students, Ratom is now in its fourth year on campus. It is modeled after Mortar Board, a national senior women's honorary society. Ratom will apply for membership in Mortar Board after serving a five year probationary period.

Chosen in the spring semester of their junior year on the basis of scholarship, leadership, and overall service to the University, Ratom members are outstanding senior women. Picked by the Ratom members of the proceeding year, the new members must have a grade point which is 4/10 of a point above the average of all women on the University campus and must display active and enthusiastic participation in campus events.

Y-GOP

During last falls elections, the Young Republicans worked actively for state and local Republican candidates. Some of their activities included arranging a campus coffee luncheon for Louis Ceci, the Republican candidate for Attorney General, and for Jack Olson, the Republican candidate for Lt. Governor; distributed campaign literature throughout the city; telephoned people in the city reminding them to vote; and set up a table in the Student Union to assist students in absentee voting.

The club also published a monthly Republican Newsletter which dealt with news on the national scene. The club also distributed a book, *The American Cause,* to interested students on campus.

Many of the members had an opportunity to attend the State Convention for the Y-GOP which was held in April at Sheboygan.

International Students

L-Bar-X

The University Dancers, known as L-Bar-X, is directed by Miss Bernadine Kunkel. The group was organized not only to increase dance skills and enlarge their dance repertoire, but also to share their enjoyment with others interested in dance. By using mixers, couple and set dances, the group makes it possible for the audience to experience the joy of participation.

The members spend many hours styling their dances. They have performed in various towns throughout Wisconsin, Minnesota, and Iowa.

Letterman's Club

The honorary membership of L-Club is formed by athletes who have earned a letter in a varsity sport. This year the organization gave active service by selling concessions and programs at both football and basketball games. An Easter party for orphan children, a dinner for all L-Club members and coaches were special projects of the L-Club. The Homecoming Queen, Rose Mangiaracina, was sponsored by the L-Club. This was the first year the Letterman's club sponsored a homecoming candidate.

La Crosse State Officials

Within the La Crosse area, a group of young men interested in athletics put their interest and knowledge to work by officiating football and basketball games. Depending upon one's skill test result, determined by the Wisconsin Interscholastic Athletic Association, officials work from the intramural sports level to the college junior varsity level. Seminars are held to train prospective officials, practice sessions are arranged, and finally the test is given.

The La Crosse State Officials sponsor a dance every year and sell pens with the football schedule printed on them. The money is needed to aid club members throughout the year.

Pom Pom Girls perform half-time activities at the football games.

The car wash at Len's Citgo proved to be a fun as well as a profitable experience.

Pom Pom Girls

The 1966-67 Pom Pom squad, under the direction of Cheryl Fischer, promotes school spirit and student attendance at all athletic events. They perform at football and basketball games, and hope to include wrestling, swimming, and gymnastic meets on this year's schedule. Pre-game football performances included peppy routines to the music of "On Wisconsin" and "Cherokee." The squad's special show was held at half-time of the Dad's Day game, where they performed to the tunes of "Bonanza," "Beer Barrel Polka," and "Batman." The squad helped with homecoming, the inauguration festivities, and entertained winter sports fans with a special Christmas routine to "Sleigh Ride."

The girls spend a great deal of time not only practicing for their special performances but also helping high school girls from the surrounding area learn more about Pom Pom routines. The squad's goal is to obtain new uniforms for next year.

Recreation Majors' Club

With the ever increasing growth in the number of people entering the field of recreation, the Recreation Majors' Club has become one of the largest professional organizations on campus.

The club provides a variety of programs at its monthly meetings. Professional people, representing various areas and recreation fields, appear before the group as guest speakers.

Coordination of classroom and club efforts is accomplished through projects and the sponsoring of several University social events. The annual card party provides practical experience in planning and in addition is a money-making project with the funds used to help defray expenses of students attending professional meetings and conventions each year. The sponsoring of an all school dance provides additional assistance. One of the largest all University events is the annual "Songfest" where some 12 to 15 organizations compete for honors. All club members united in their efforts to make this traditional program an outstanding one enjoyed by students, faculty and towns people.

The members have "fun" as well. The fall socializer is planned by the Junior class as practical experience. Here new members are given special welcome into their professional organization and all enjoy the genuine fellowship of the group together.

"Recreation Royale" was the theme of the annual card party.

Student Education Association

Student National Education Association, a newly formed organization this year, was established for students in education. SNEA had several speakers come in to discuss teaching situations and conditions, and had several informative films. SNEA strives for understanding and appreciation of the field of education.

Wivettes

The purpose of Wivettes is to provide an opportunity for the wives of college students to become familiar with and be a part of the campus community, make new acquaintances and share common interests through various activities. Programs are presented at the monthly meetings on such topics as family credit management and opportunities available to student wives and families.

A service project consisted of making Christmas center pieces for the La Crosse County Hospital in West Sale. Fund raising projects included a bake sale using their talents as homemakers, and a Spring Style Show.

Social opportunities are offered through the Wivettes Bowling League which meets twice a month in the Student Union and husband-wife gatherings such as the Couples Bowling League, the Progressive Dinner Christmas Party and the banquet at the close of the year.

There goes a strike.

Watch the Birdie!

The Women's Association, WRA, encourages expanded participation by publicizing its activities in the WRAP, the WRA paper. Opportunities to participate in twelve separate sports were offered. Apparatus, archery, badminton, basketball, curling, fencing, riding, softball, swimming, tennis, track and field, and volleyball were the events WRA sponsored for girls with any amount of experience.

Marching Chiefs

The Marching Chiefs, 142 young men and and women of La Crosse State University, are under the direction of Ralph Wahl. The Drum Major is Gorden Nelson and the featured twirler is Pam Albrecht.

The Marching Chiefs brought considerable attention to the school and the city through its appearances at various functions throughout the state. This year the Marching Chiefs appeared at the Baltimore Colt-Chicago Bear professional football game in Chicago and also at the Minnesota Viking-Green Bay Packer professional football game in Green Bay. The band also performed a half-time show at Whitewater when the La Crosse Indians met the Whitewater Warhawks. A marching exhibition was given at Fond du Lac, based on the theme "Building a Band".

Long hours of intense practice and drill are the elements which make this years Marching Chiefs outstanding. For each minute of performance the members of the band practice and drill about one hour. During the football season you will always find the band practicing on the University parking lot.

Although the football season may end the musical and performing activities of the band are just beginning.

The high stepping, hard driving Marching Chiefs lead the Oktoberfest Parade.

The band is shown here in a "Tijuana Taxi" number at the Green Bay Packer-Minnesota Viking game in Green Bay.

European Concert Tour

Aug. 8-29, 1966

In Rothenburg, Germany the Singers were greeted by the mayor of the city who was dressed in original costume. When the city was under siege by invaders the mayor drank a stein of wine to save the city from being destroyed. Dr. Estes re-enacts this drinking of the wine ceremony.

Julie Jorgensen models her authentic German costume.

The singers presented Dr. Estes with a wine goblet in remembrance of their visit in Rothenburg, Germany.

One of the sights in the tour that created a lasting impression was the Berlin Wall. The day the Singers toured East Berlin the East Berliners were celebrating the fifth year the wall had been built against U. S. aggression.

One of the high points of the tour was when the Singers gave a private concert for the Chancellor of West Germany, Chancellor Erhard.

The warm hospitality of the inn keeper in Tegernsee, Germany cannot be overlooked. He entertained the Singers during dinner by playing various German folk tunes. The warm feeling the entire village held toward the Singers was emphasized when the inn keeper played the Star Spangled Banner.

Cana Club

Cana Club, the Catholic married students organization, met for coffee and donuts weekly after 9:00 a.m. Mass to discuss various topics of common interest.

A get acquainted coffee hour was held for all Catholic married students.

Although the Cana Club members spent most of their spare time with their families, they did manage to hold a bake sale, chili supper, New Year's Eve Party, pot-luck supper, picnic, and evening discussions.

Christian Bible Study

Striving to unite campus students with the Inspired Word and Its Truths, the Christian Bible Study organization meets weekly for round table discussion, further study, and fellowship.

Focusing their attention upon evidences of Christianity, the members hope to understand the facts pertinent to Biblical Truths enabling them to evaluate the Scriptures.

It is the Christian Bible Study's intent to complete this channel of study before approaching another pathway.

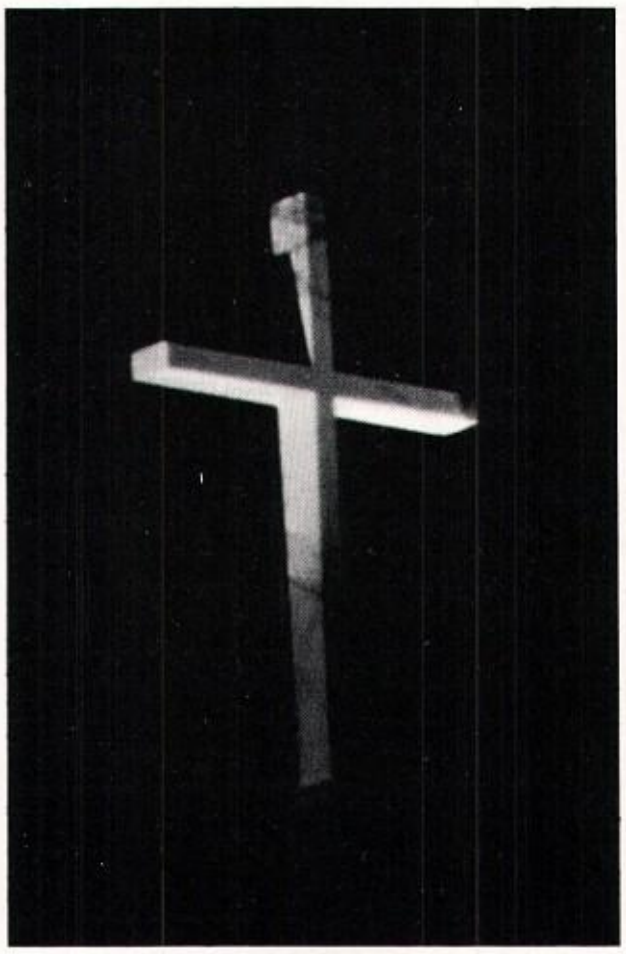
Inter-Varsity Christian Fellowship



The purpose of the Inter-Varsity Christian Fellowship is to provide fellowship for Christians on campus. This organization is a non-denominational group, unsupported by any church. As members, they gain strength through fellowship and friendship with other Christians.

At meetings, the IVCF studied the Bible individually, in groups, and through discussions, and speakers. Their main goal is Christian fellowship.

Lutheran Campus Center

The Lutheran Campus and its chapel, called the Catacombs, is a community of students with a common religious faith. As well as a center of activities for the campus, the students are also a congregation seeking to be the church of the campus. Worship is held on Sundays as well as weekdays. Discussion groups, retreats, choir, non-credit courses, social events, and community service projects are among the activities which make up center life.

This year the Lutheran Campus Center, along with the Newman Center hosted a retreat for students from campuses throughout Wisconsin and upper Michigan, the theme of which was "One and Holy". This was the first Ecumenical venture of this kind in the midwest. The two hundred students spent the weekend in October together in dialogue and worship to achieve better understanding of the two churches.

The Center is governed by a vestry of twelve students who meet twice each month. It is served by a full time campus pastor, the Reverend Norman A. Erikson.

These are members of the Lutheran Campus Center vestry.

Newman Club

The La Crosse State Newman Club is a religious organization for all Catholic students on campus. Under the direction of Father G. Hinger, the chaplain, and Jerry Braza, the president, it carries out both religious and social activities.

Religious services are held everyday plus a weekly meeting to instruct the students of what is developing in the church, the world, and the campus. The club paper, New-Man, also aids in keeping the students informed about other people and events. The chaplain holds group discussions and private conferences with the students when they so desire.

Socially, the club enjoys putting on the Chicken Barbeque, dances, hay rides, bike hikes, skating, and movies. To cover the expenses of the club there is an annual pancake breakfast and broom sale.

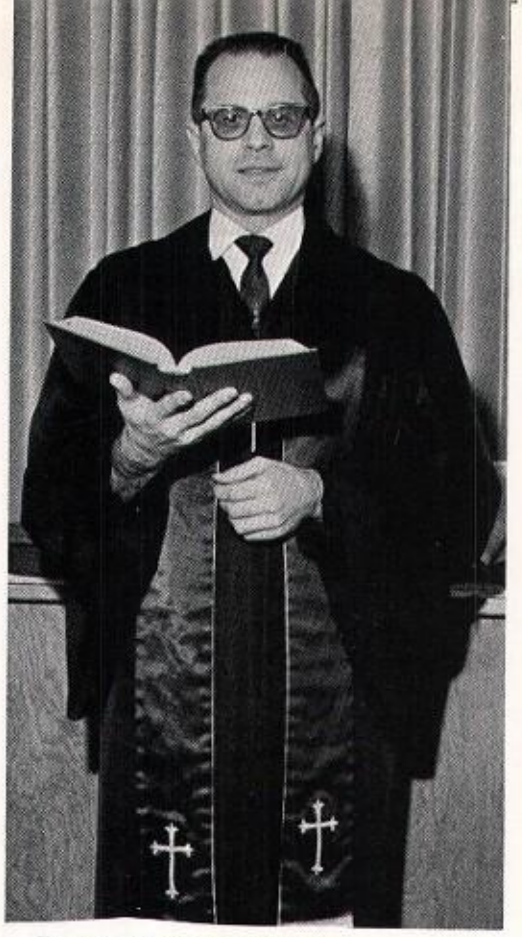
United Campus Ministry

The United Campus Ministry, formerly the Wesley Foundation, is an ecumenical ministry uniting the Wesley Foundation of the Methodist Church and the United Campus Christian Fellowship of the Disciples of Christ, the Evangelical United Brethren, Moravian, United Presbyterian Church USA, and the United Church of Christ churches.

This year marked the establishment of a campus center, across from the school library. Retreats; study groups; the Heretics' Club; and the Covenant Players, a religious drama group, characterized activities at the Center. Some of the programs were concerned with "Understanding Death", "The Morality of Scientific Discovery", and the films "Parable" and "Abandon Ship".

The ministry shared by students, faculty, administration, and the campus pastor, the Rev. Gary Putnam, seeks to express the presence of a Christian community in the life of the university.

Students find happiness behind its door.



Pastor Wayne Schmidt.

The Collegians go caroling.

Lutheran Collegians

Through the efforts of the Wisconsin Evangelical Lutheran Synod and the campus pastor, Wayne Schmidt, a center and chapel have been established for the stimulation of spiritual growth of LSU students. The objectives of the center are to help the student meet life's duties and to help him meet the responsibilities in the church and in society.

The objectives are obtained through Wednesday evening vesper services, fellowship cost suppers, and the provision of transportation to local congregations for Sunday worship. In addition, secular activities are also an important aspect of the center's program.

However, keeping Christ in the center of each member's life remains the primary objective of the Wisconsin Lutheran Chapel.

Panhellenic Council

"United we stand, divided we fall", is the motto of the Panhellenic Council as they work together in many campus functions. An exciting service performed this past year by the sorority members was their work and participation during the Inauguration Week. The girls acted as guides and hostesses, and sponsored a reception for President and Mrs. Gates.

Upholding the standards of intellectual achievement, the council awards the Panhellenic Scholarship trophy to the sorority with the highest grade point each semester. The trophy went to Delta Zeta sorority for the 1966 spring semester, then to the Alpha Phi sorority for the 1966 fall semester.

Another combined effort of all sorority members was the Formal Rush. Plans for this event began in the fall of the year when the council prepared and sent out newsletters to freshmen orientating them to sorority life. Provision of counselors before and during rush is another service of the council. An all-sorority tea is the initial function of Formal Rush.

Two girls from each sorority represent the unity of all the girls as they meet each week to discuss their college and sorority interests. Miss June Tenckhoff, assistant Dean of Women, is their advisor.

Alpha Phi

The Alpha Phi's social calendar was filled with many varied events which included a water carnival for all campus organizations, a Thanksgiving Banquet for the Alpha Phi family, and a Holly Sale at Christmas to provide additional money for the building fund in hopes of building a sorority house in the near future. While sponsoring these events they also participated in the Powder Puff Olympics, Songfest, and Winter Carnival. Entertaining the older folks at Mulder's Nursing Home was their philanthropy project for the Alpha Phi's.

Alpha Phi won the Greek Women's Scholarship trophy for first semester of this year and also won first place in the women's homecoming float competition.

Alpha Omicron Pi

The Sigma Lambda Chapter of Alpha Omicron Pi, philanthropic project is concerned with the Bethany Nursing Home in La Crosse. Each week members of the Chapter visit, comfort, and cheer the elderly people. Alpha Omicron Pi also plays a large part in the functioning and development of certain annual activities which occur on campus. Working in conjunction with other Greeks, Alpha Omicron Pi help sponsor the Homecoming activities.

Alpha Xi Delta

The Delta Alpha Chapter of Alpha Xi Delta took part in many campus activities from the Powder Puff Olympics, which they won this year, to Songfest. The Alpha Xi's also presented the Saint Patrick's Day Style Show and Tea, and acted as hostesses and guides during Inauguration Week.

Working with the girls of St. Michael's Home was the philanthrophy project, this in keeping with the national philanthropic project to prevent juvenile delinquency. The Alpha Xi's worked jointly with the Phi Sigma Epsilon Fraternity to give a Christmas Party for orphans.

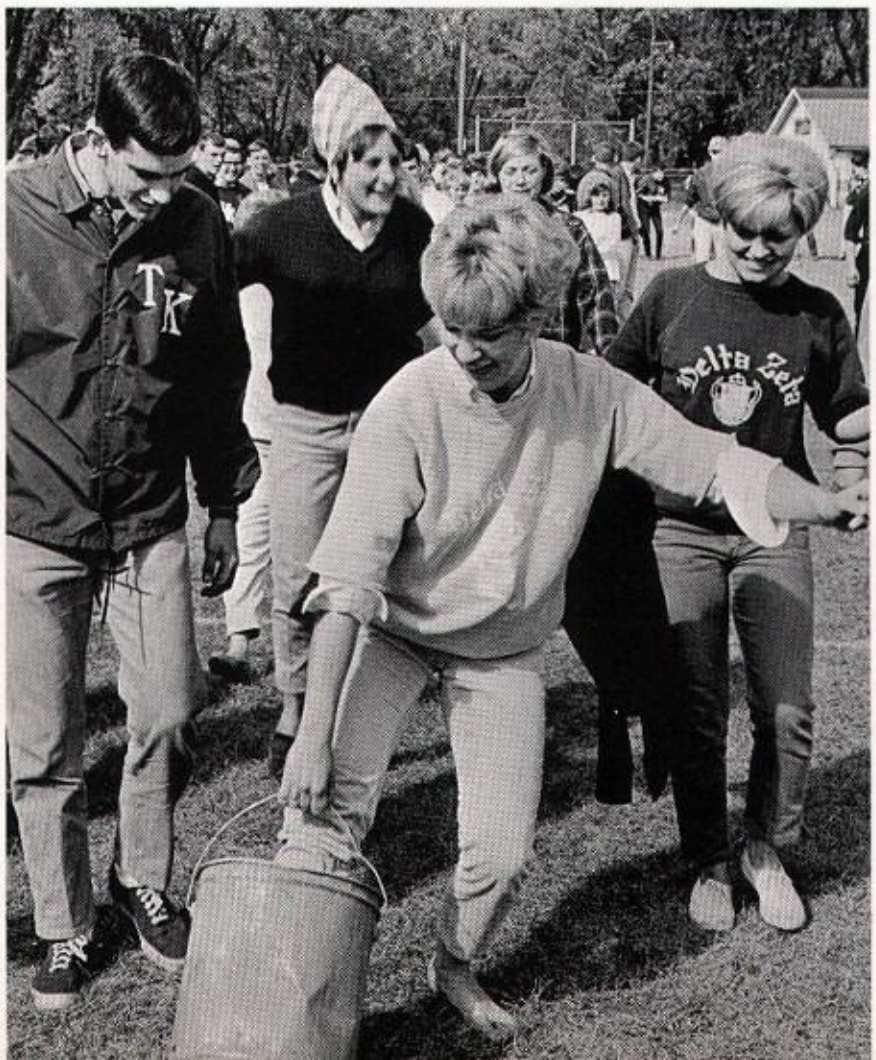
Delta Zeta

Members of Delta Zeta take part in many social, campus, and civic projects. Each year the Delta Zeta's sell activities calendars. Philanthropic projects include aid to the Navajo Indians and work with deaf children. Each week a few of the members meet with these children at the First Baptist Church to teach them many new skills. Money projects include car washes, pickle sales, and pop bottle drives. A new project was just undertaken and that is babysitting services each month for the children of the faculty.

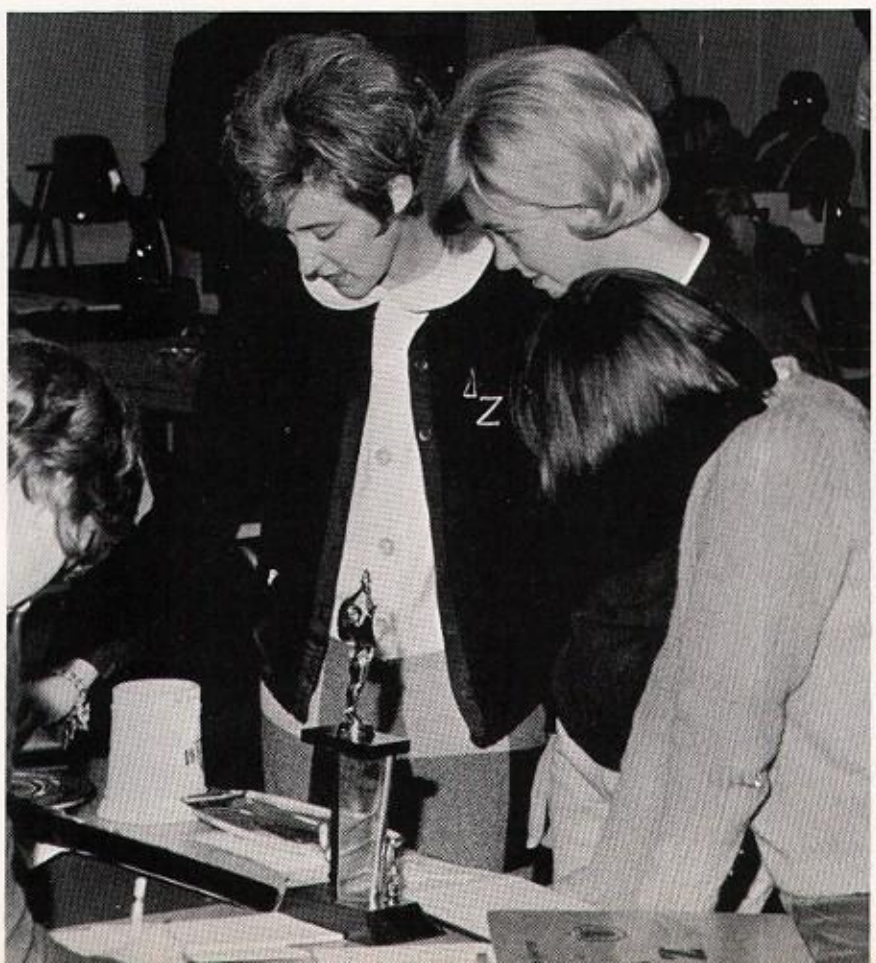
Delta Zeta members participate in the Beta Variety Show, Songfest, Powder Puff Olympics, and Winter Carnival.

The D-Z's had the highest scholarship average of all the sororities in 1965 and was the first to receive the Panhellenic Scholarship trophy.

The D-Z's give Judy Fenner moral support during the Powder Puff Olympics.



President, Nancy Weissenberger explains the D-Z display to interested girls at Activities Night.



Inter-Fraternity Council

In the last few semesters the Inter-Fraternity Council has been making big strides toward improving its organization and effectiveness. With the assistance of its able advisors the Council revised its Constitution and drew up a set of by-laws with hopes of expanding its scope of authority. The purposes of the Inter-Fraternity Council are: 1. to coordinate the Fraternities in joint projects; 2. decide Inter-Fraternity disputes; 3. to make decisions pertinent to the well being of all fraternities; 4. to provide a link between the fraternities and administration.

The Council's first big step toward making itself an effective and useful organization was during the Inauguration Week of first semester. The IFC along with the Panhellenic Council acted as an organizing and co-ordinating committee, planning services for the visiting dignitaries during the week. All Greeks worked in harmony on this venture by providing campus tours, an information booth, transportation services, and parking lot attendants.

Alpha Kappa Lamba

Alpha Kappa Lamba is one of the most active social fraternities on campus. The Kappas throughout the years have been especially active in nearly all of the campus activities from Dad's Day and Homecoming in the fall, to Winter Carnival and Songfest in the spring. Alpha Kappa Lamba has headed Dad's Day for the last five years, and has won the float competition for the last four years. The Kappas have organized and promoted Winter Carnival for the last three years.

The Kappas received the A. P. O. Service Award for 1966 for refinishing the desks in the library. A second large project of the Kappas was the collection of thousands of cookies from the people of La Crosse, boxing and crating them, and sending them to the servicemen in Viet Nam for Christmas.

Jim Paulus decorates the Beta booth for Winter Carnival.

All work and no play.

Beta Sigma Chi

Beta Sigma Chi, the oldest fraternity on campus, was founded in 1934 by D. O. Coate. The only local fraternity at WSU-L, the Beta's annually sponsor the Beta Variety Show, an event which features skits by various campus organizations. Beta Sigma Chi also participates in Homecoming, Winter Carnival, and Songfest. Socially, the Betas stage a Homecoming Dance, a Spring Dinner Dance, a Senior Picnic, as well as many informal get-togethers throughout the school year.

Delta Sigma Phi

The Delta Sigma Phi fraternity, the newest fraternity on campus initiated its first pledge class on November 22, 1966. Expanding rapidly, the fraternity is looking forward to its installation as a chapter during the second semester. The Delta Sig's hope to make this the greatest formal event in their history.

A scholarship of fifty dollars was initiated during the first semester to award the pledge with the highest grade point during his pledge semester. To promote scholarship, the pledge must participate in a "college bowl" in which teams answer questions on any subject chosen. The winning team each semester competes against a team of actives for the semester championship.

The Delta Sig's have planned and carried out several functions thus far with hopes of expanding these in years to come. The first big group project was a money making project in conjunction with the La Crosse Oktoberfest Committee. Participating in their first homecoming, the Delta Sig's placed second in the fraternity division of the float judging. Future plans, other than the installation, include the annual "Pop" Gardner Christmas party for underprivileged children, and a car rally to be held sometime second semester.

The Delta Sig booth at Winter Carnival honored the professors.

Phi Sig's and the Alpha Xi's join together to give a Christmas Party for the orphans.

The Phi Sig's Honky Tonk ice sculpture.

Phi Sigma Epsilon

Phi Sigma Epsilon sponsors sports day for the youth of La Crosse, co-sponsors the Orphans Party for the children at St. Michael's during the Christmas season, the annual Winter Carnival, the Tom Turkey Dance before Thanksgiving, and numerous work projects for the fraternity. The show "Where The Action Is" which took place here in La Crosse was also sponsored by the Phi Sigs.

The Phi Sigs are also known for the annual spring Playboy Party which is a weekend long affair and they are also proud of its active participation in intramural athletics.

Sigma Tau Gamma

Sigma Tau Gamma became a national fraternity on the LSU campus in 1960 and was the first to do so. Each year they sponsor a Calendar Queen Week which was initiated in 1965. Thirteen girls are chosen through elimination by the members of the fraternity and then the queen is elected by an all school election. This year's Calendar Queen was Julie Huttenburg. It is the Sig Tau's hope to make this a bigger event each year.

Each year Sigma Tau Gamma gives out a scholastic award to the fraternity with the top grade point. This highly coveted award was won by Tau Kappa Epsilon last year.

The Sig Tau's are also very active in intramural sports with participation also in the Beta Variety Show and Songfest.

Couples could try their luck at the Sig Tau Black Jack table at Winter Carnival.

The Sig Tau's put the finishing touch on their Casino Rose.

A TEKE pledge gets a notch in his paddle.

Tau Kappa Epsilon

The Theta Phi Chapter of Tau Kappa Epsilon has in the past year done many service projects. The TEKES have adopted a Korean orphan, put up signs welcoming people to La Crosse, served as escorts in the Miss Oktoberfest pageant, and controlled the Oktoberfest parade.

Every year the TEKES sponsor the Powder Puff Olympics. Sororities compete in unusual events to wın a traveling trophy, won this year by the Alpha Xi Delta sorority.

As a social fraternity, Tau Kappa Epsilon has about three parties a month. The highlight of the year is the Red Carnation Ball held in the spring. This year it was held at the Alumni Banquet, enabling the Alumni and the undergraduates to get together.

Senior Honors

An anonymous faculty-student committee honored thirty-four WSU-La Crosse students by selecting them to the 1966-67 edition of "Who's Who Among Students in American Universities and Colleges."

The selections were based on participation and leadership in academic and extra-curricular activities, citizenship and service to the school, and promise of future usefulness.

FACULTY

Our Fifth President

Samuel G. Gates

B.A., Colorado State
M.A., Stanford University
Ed.D., Stanford University

Inaugural Ceremony

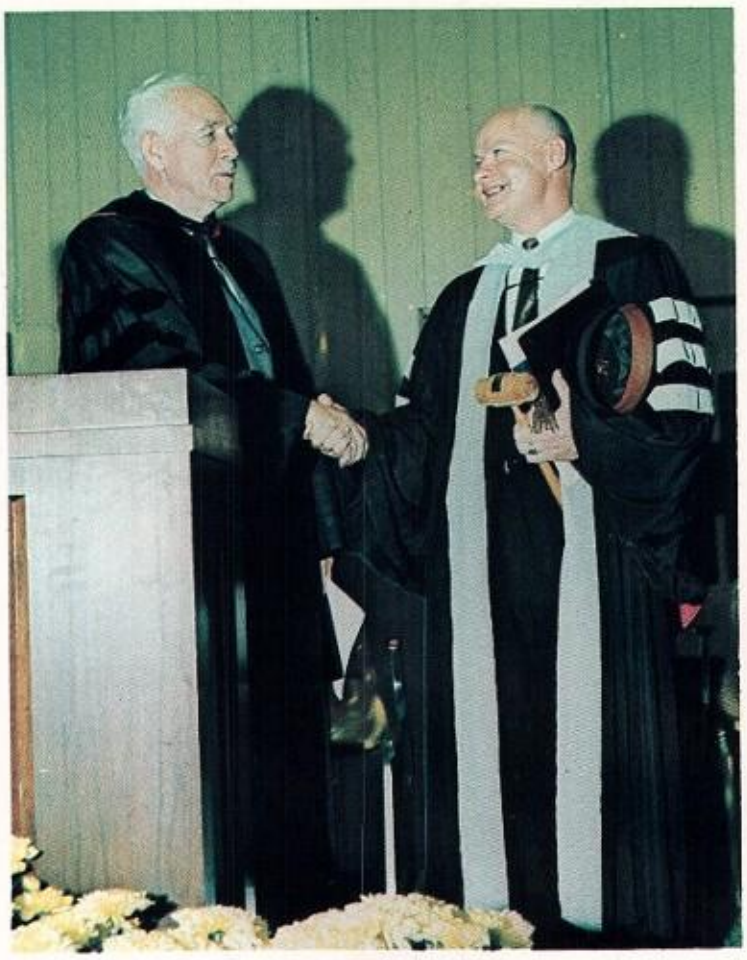
As the WSU-La Crosse Marching Chiefs played Pomp and Circumstance the academic procession moved into the new physical education building fieldhouse from the Hall of Science. First to enter were the nineteen members of the learned societies, followed by sixty representatives of colleges and universities throughout the United States and the 290 faculty members of WSU-La Crosse.

After a series of welcoming addresses and the keynote talk by Angus B. Rothwell, Dr. Samuel Gates was officially installed as the fifth president of WSU-La Crosse. Gates had previously assumed the presidency in February of 1966 following the retirement of Dr. Rexford Mitchell.

In his inaugural address President Gates said that WSU-La Crosse needs include starting aggressive programs of specialization in music, chemistry, and business administration. In conclusion he stated, "I accept the challenge, trust, and responsibilities. I will direct my energy to the kind of quality instruction needed in a teaching university."

The academic procession procedes to the new physical education building.

President Emeritus, Rexford Mitchell, formally hands over the gavel which symbolizes duty and responsibility to President Gates.



President Gates gives his inaugural address.

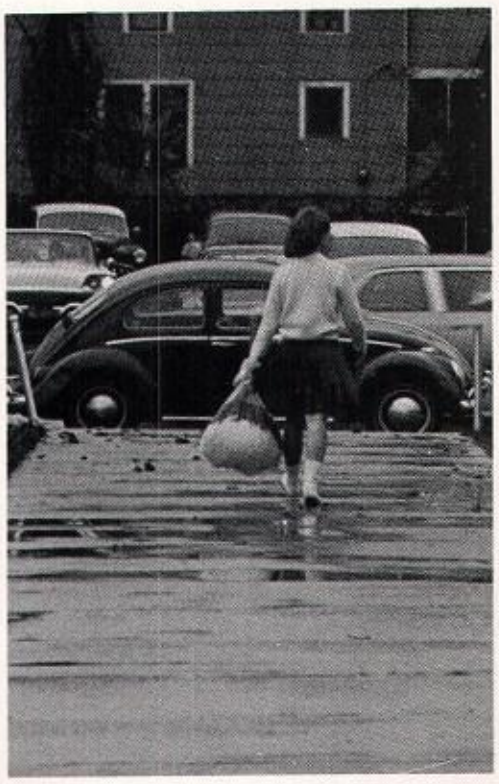
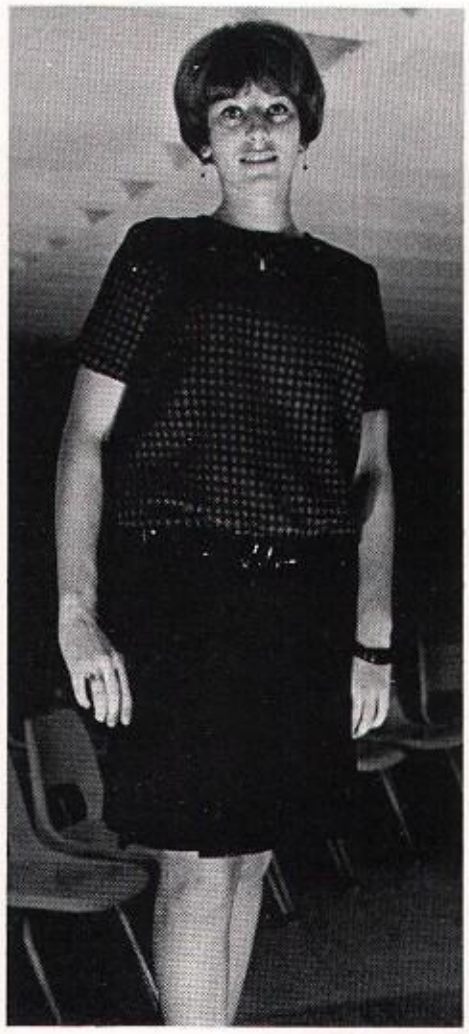
. . . pieces of almost forgotten memories and half forgotten names of people at parties, across a room, or close at hand in classes or at games . . . just pieces of it are remembered, only minutes that were unimportant and seldom the important things remembered or to hold onto . . .

. . . . . the endless snow and cold, puddles and lakes to walk through to get to classes . . . problems to contemplate, papers to slave over, gym suits and straight hair and rain . . . the crowds pushing and hurrying to go nowhere . . .





. . . fads, fashions, dances and dates . . . promises to keep but seldom kept . . . rings, medals, pins, awards, banquets, and sweaters . . . the constant battle with grades; unattained dreams and almost loves . . . failures and almost failures . . . and so we progressed through the year with our joys and our sorrows.

These are the pieces of memories that have combined to make this year, one that will be long remembered by you.
